

STR Cleaning Checklist

 **STR Standard (Airbnb/Short-Term Rental) – Quick guest-ready reset: fresh linens, wiped surfaces, trash removed, and essentials restocked.**

Bedrooms

- Strip beds, spot treating comforters, encasements and shams and lint rolling as needed (take to be laundered if needed), remake beds, set out linens at foot of beds unless instructed to make beds, if so then do so..
- Thoroughly empty and clean all drawers, removing any hair, dirt, or other debris.
- Wipe down all surfaces, including furniture, decorative items, doorknobs, light switches, and ceiling fans (using an extended duster, as needed).
- Clean windows, windowsills.
- Vacuum all areas, including under beds and furniture.
- Mop floors using a manual mop; avoid using electric mops.
- Dust everything as well as ceiling fans and light fixtures and blinds.

Bathrooms

- Wipe down all sinks, faucets, and countertops.
- Clean all mirrors and glass shower doors; ensure no hard water stains or smudges are left.
- Clean all windows and windowsills
- Ensure all drawers are empty and cleaned out; ensure no hair or smudges are present and appliances are organized.
- Dust all shelves and decorations and light fixtures and blinds.
- Clean the inside and outside of the toilet, including the seat, lid, handle, base, top, behind the toilet, and under the lip of the bowl.
- Seal the toilet with a sanitation strip.
- Clean and disinfect the bathtub/shower; ensure no hair or hard water stains are present and that the bathtub/shower drains properly.
- Ensure shower curtain liners are clean; if they are not, please bag up with a label and fill out a checklist on Jobber.
- Close shower curtains to prevent mildew.
- Empty and clean trash can, then place one bag at the bottom and one inside.
- Vacuum and mop.

Kitchen

- Clean countertops, sink, and faucets.
- Ensure cabinet interiors are clean.
- Wipe down appliance exteriors and interiors, including the microwave, stove, refrigerator, and coffee makers/pots.
- Empty and clean the sink and dishwasher. If the dishwasher is full, please inform us and provide photographic evidence, as this may incur additional charges.

- Ensure all dishes and silverware are neatly stored.
- Ensure all stored dishes are clean.
- Empty trash cans, clean them, and replace the bag.
- Clean windows and windowsills.
- Vacuum and mop.
- Wipe down all stainless steel with a stainless steel sponge and steel cleaner, and dry with a clean rag.
- Dust everything including light fixtures and ceiling fans and blinds.

Living Room & Dining Room

- Wipe down all surfaces (tables, chairs, shelves, electronics, decorations, and ceiling fans).
- Clean windows and windowsills.
- Vacuum furniture (including underneath), ensuring there is no hair, stains, or crumbs (check under cushions).
- Clean out all drawers.
- Vacuum under furniture.
- Mop.
- Dust everything including light fixtures and ceiling fans and blinds!

Additional

- Adjust thermostat to 72 degrees
- Wipe down washer and dryer interiors!
- Ensure all stairs are vacuumed and wiped down
- Dust ceiling fans and vents; ensure vents are open
- Replace air filters as needed
- Clean dryer lint traps
- Ensure stainless steel surfaces are polished
- Wipe down baseboards and door frames (especially in pet-friendly properties)
- Place all trash in outside trash bins
- Sweep or use blower, if needed, on porches
- **Spray angry orange odor spray everywhere!**
