

Vacation Rental DEEP Clean

Everything included in a standard clean, as well as the things on this list! (some things may repeat)

- Thoroughly scrub all moldings, baseboards, doors, door casings, patio tracks, and backsplashes. Eliminate all scuff marks.
- Wipe blinds
- Meticulously clean all windows, including the tracks
- Thoroughly vacuum and clean the tops of cabinets
- Deep clean the front and back of all doors thoroughly.
- Clean and dust all areas where cobwebs gather, such as corners and the tops of lamps.
- Clean ceiling fans and light fixtures thoroughly.
- Remove items from cabinets, drawers, dressers, bedside tables, and shelves. Clean the items, as well as the inside and outside of the cabinets, drawers, dressers, bedside tables, and shelves thoroughly.
- Spot clean walls
- Move the refrigerator and stove (unless gas), vacuum and mop underneath, and wipe down the backside. Both appliances should be thoroughly cleaned, even if they need to be disassembled.
- Clean and organize kitchen cabinets
- Strip all beds of linens to be professionally laundered (including mattress covers), and replace them with backups from the owner's closet. Remember to label the soiled linens with the property address. *Requires owner approval.*
- Vacuum, remove lint, and disinfect the bare mattress.
- Remove rug, shake it out, and vacuum and mop floor. Return rug to its original position.
- Relocate all furniture (couches, nightstands, coffee tables, end tables, dining room tables, etc.) and thoroughly vacuum and mop the floor beneath.
- Ensure all stairways and laundry rooms are deep cleaned, including the washer and dryer.
- Meticulously clean all tile and bathrooms.
- Clean and disinfect all toothbrush holders, soap dishes, and soap dispensers.

Extras: detail blind clean for extra upon request.
